Vision Statement:

Pillar:

- **Develop: Infrastructure Improvement Strategy**
 - ◻ **Ensure the viability and adaptability of the city’s infrastructure, facilities, and transportation network through thoughtful financial and long-term planning.**

STAFF RESPONSIBLE:

Richard Abernethy, Interim City Manager

BACKGROUND/HISTORY:

On February 4, 2025, the City council passed Resolution No. 2025-421, establishing a Bond Advisory Committee and defining the scope of work and charge to the committee. In subsequent meetings, the City Council appointed nine (9) to the committee. The committee began meeting on March 5, 2025 and over the course of the next three months, held seven public meetings, a public town hall meeting, and took a field tours of the city to look at potential park, street, drainage and facility capital projects.

The committee ultimately recommended a "base" bond package totaling \$20,000,000 in projects including:

- Police Station and training facility - \$12,000,000
- Municipal Service Center improvements - \$8,000,000

POLICY EXPLANATION:

The City Council is required to pass an ordinance calling for a bond election to be held on November 4, 2025. The ordinance must be adopted by City Council no later than 90 days or no earlier than 78 days prior to Election Day. The ordinance includes a description of each proposition with the bond principal amounts being rounded to the nearest \$100,000, as well as the Early Voting and Election Day polling locations, and dates and times of voting. In summary the propositions are as follows:

Proposition A: issuance of general obligation bonds for police station and training facility (\$12,000,000)

Proposition B: issuance of general obligation bonds for Municipal Service Center improvements (\$8,000,000)

The total proposed bond projects amount to \$20,000,000

Please note that, under ballot requirements, bond propositions must include the phrase “this is a tax increase,” even if the City does not plan to raise the tax rate. This is required when bonds are repaid through property taxes, including cases where the debt is covered within the existing rate. Clarifying language may be included in educational communications to help explain this requirement.

The Mayor, City Manager, City Secretary or other appropriate official, is hereby authorized to correct, modify or change the exhibits to this Ordinance based upon the final locations and times agreed upon by the elections department and the City.
